

2 Night Murray River Luxury

GUEST ITINERARY

Embark on a two-night journey of unparalleled luxury and intimate natural encounters at The Frames, where every detail is curated to offer an exclusive and unforgettable experience. Nestled against the serene backdrop of South Australia's Murray River, your stay promises unique Australian adventure, and culinary delights that capture the essence of the Riverland's beauty.

DAY 1:

Upon your arrival, be welcomed with a complimentary bottle of The Frames Signature Shiraz, setting the tone for a stay filled with exquisite local flavours. As you settle into your luxurious retreat, take a moment to explore the artisanal selections within your complimentary mini-bar, featuring the finest local beverages.

As the day wanes, prepare for an enchanting evening with our private Sunset Gondola Cruise. Glide along the Murray River on a beautifully restored 100-year-old classic wooden gondola, accompanied by the sparkle of wine and the elegance of a cheese platter. This exclusive, two-hour private sunset cruise offers a tranquil journey through nature's splendour, providing a backdrop of spectacular sunsets, abundant Australian wildlife, and the soothing sounds of the river.

The culmination of your first day is a gastronomic delight prepared by your own private chef within the comfort of your retreat. Savour a three-course gourmet meal that showcases the best of Riverland and Australian produce, crafted to give you a taste experience like no other. This intimate dining affair allows you to enjoy the luxury of fine dining with the warmth and privacy of your retreat.

DAY 2:

Awaken to a day of exploration and indulgence. Begin with gourmet breakfast provisions at your leisure, offering a taste of the local bounty to start your day. Then, embark on a journey into the heart of the Murray River's ecosystems with our Wetland & Wildlife Safari. This six-hour private tour reveals the quiet beauty of the river's diverse wetlands and wildlife, offering an opportunity to see Australia's iconic animals in their natural habitats. Guided by third-generation Riverland locals, this exclusive cruise includes morning tea, a gourmet 'bushtucker' lunch, and refreshments, with an optional visit to the Wilkadene Woolshed Brewery for a taste of local craftsmanship.
